* *Appear in CofC Church history.*
 * * *Partially published or referred to in CofC Church History.*

IV. The following sections appear in the CofC edition, but not the LDS edition:

22, 36 (in LDS Pearl of Great Price) 108A—minutes of the August 17, 1835 General Assembly of the church.
 111—section on marriage adopted by the church in 1835.
 114 to 164 (as of 2010). These are revelations and instructions received through Joseph Smith III and church presidents since.

V. The following sections were published in 1844 and in later editions of the book, but some of them were included without conference or quorum approval. Due to their uncertain authority, they were removed from the CofC edition of the book in 1990, but are published in LDS editions.
